Betty Oppenheimer : Making Hand-Dipped Candles: Storey's Country Wisdom Bulletin A-192 (Storey Country Wisdom Bulletin, a-192) before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Hand-Dipped Candles: Storey's Country Wisdom Bulletin A-192 (Storey Country Wisdom Bulletin, a-192):

1 of 1 people found the following review helpful. great book
By Pat
Helps you to understand how candles are made and the book is a very good price for the information. I have bought several of her other books. Rather than put 20 things in one book and charge \$40 dollars for it then you can get great thin books only on the subject matter you want
0 of 0 people found the following review helpful. just what I wanted
By Customer candace
Have done mold and poured candles in the past, and knew the basics of dipping, but this short treatise is an excellent overview of the subject.
0 of 0 people found the following review helpful. Great Little Book
By Travis Westmoreland
These little books are always full of information , that you can actually use.

Since 1973, Storey's Country Wisdom Bulletins have offered practical, hands-on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170 titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.

From the Back Cover Since the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life. Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.
