Luna is a hit!By Knit oneWhat a great book if you are in to this type of craft. The stuffed chair turned out really cute. Very good instructions.

Welcome to the charming world of Luna Lapin, a quiet and kind rabbit with impeccable taste. You will learn how to sew your own felt rabbit along with her exquisite wardrobe including 20 garment and accessory sewing patterns. All the clothes are made using the finest fabrics including wool felt, lace and Liberty print cotton. Choose from a perfectly tailored wool coat, matching tweed skirt and bag, or pretty lace set. Not forgetting the accessories--there are bunny boots, pyjamas and even tiny French knickers to create. The patterns are suitable for a range of abilities--the basic rabbit and simple items are suitable for beginners but the more tailored pieces are for more experienced sewers--the level of each pattern is identified and all the patterns are full size. Luna was designed to be passed down by generations as a very special heirloom toy.
