HughesNot quite what I expected but will still be a really good resource for patterns.1 of 1 people found the following review helpful. Making MiniaturesBy Suzanne CatonVery happy with the book. The book has much useful information that I will be able to use. Thank You0 of 0 people found the following review helpful. Five StarsBy Jerald M. Cogswell Huber-cogswellI love it.

This is a book which contains ideas for dolls' houses and miniatures. The ideas are original and show readers how to make their own pieces and also how to make the most of kits and ready-made items that are widely available. Many types of projects are covered, beginning with simple shoebox rooms designed for children and working up to large room settings complete with fine furniture.
