NelsonThe toys in this book provide delightful, simple enchantment for children of all ages. The skills required to build the projects range from very simple to moderate. The instructions and patterns are clear and easy to follow and use inexpensive materials that are readily available. If you want to make some wonderful nostalgic toys for your children, grandchildren or anyone, this is a terrific resource.0 of 0 people found the following review helpful. Five StarsBy Susanna Ronchinice toys easy to make.

Designed and made by father and daughter, Ian and Pippa Howes, these original toys have detailed step-by-step instructions and photographs. All projects clearly state the level of skill required - some have a simpler version for children to make.'
