Victorian Era Cotton batting and other OrnamentsBy CustomerI have been searching high and low for instructions on how to make the Victorian Era ornaments, particularly cotton batting ornaments. This book has several! As well as instructions for making many authentic reproduction Victorian ornaments. Belsnickels, beeswax, pinecone, tinsel and scrap, spun glass, beaded, cotton batting, chocolate!.. Santas, Angels, hot air balloons, sled, motorcar...the list goes on. Info on making these ornaments is so hard to find, but this book has it all. Complete materials list, actual size patterns and thorough instructions to make each item.
