There is a nice variety of images such as classic, 60's, flowers, Mexican etc. Each picture seems to call out different color patterns. The lines look small at first but, are perfect to color. The detail of the design allows you to enjoy the coloring process longer. The pictures are also only on ONE side!!!! The only problem is that the designs are printed too close to the edge but using scissors as a razor I have been able to get the pictures out of the book so I can color them.5 of 5 people found the following review helpful. Relaxing and fun.By M. BolinThis is my second coloring book, and the designs are varied and lovely, ranging in intricacy. I use sharpie pens and the color will bleed through, so put a sheet of paper underneath as you work. My only complaint is that the pages aren't perforated for easy tearing out. I guess you could use scissors or a box cutter, but i

haven't tried that method. Of course if you intend to leave the pages in the book it's not a concern. 4 of 4 people found the following review helpful. Awesome book! By TLTLove this book! I love how there is so many to choose from and they're all on their own page so that if you color with markers it won't bleed through to the other side (I put a sheet of paper behind the pages though so that it wouldn't bleed through to the next page). The paper is really nice stock and I love how they made easier to more time consuming pictures all mixed up. All in all, it's an awesome book, I can't wait to order another one and it's a wonderful stress reliever.

"This is about my fifth coloring book and the best so far..." - Kathleen A. Judd "I love it. It is everything I want in a Mandala coloring book." - Sabrina Renee Barmer BONUS: Includes 10 Images From Our Other Adult Coloring Books Volume 4 Is Now Available At: <http://www.amazon.com/Mandala-Coloring-Book-Vol-4/dp/1495468852> Mandala Coloring Book Volume 3 This Mandala coloring book has 50 large, magnificent Mandala patterns that will provide hours of coloring fun for all ages. The patterns range from simple (but not too simple) to complex giving you a wide variety of Mandala coloring pages. Each large Mandala is printed on its own 8.5 X 11 inch page so there is no bleed-through or smudging to worry about.
