**Matthew Williamson : Matthew Williamson: Fashion, Print Coloring Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Matthew Williamson: Fashion, Print Coloring Book:

1 of 1 people found the following review helpful. Unique and beautiful high quality book By ahyuan\_6 Beautiful big book. Each coloring page comes with two full size inspiration pages in photos of scenery and culture, followed by a full size page of runaway fashion inspired by it. I like that these two give you ideas as to what colors to use and the story behind that design. They can also be reused in other papercrafts. The coloring page is then presented thereafter as a section of the fashion pattern, featuring animals, plants, geometric patterns. High quality thick paper that takes watercolor well. One sided, tearable.

Fashion designer Matthew Williamson is internationally renowned for being a master of print, embellishment, and kaleidoscopic color. His collections reflect a refined yet spirited sense of glamour inspired by global and artistic

influences. This fabulous coloring book shows inspiration shots, behind-the-scenes photographs, sketches, and prints from Matthew's 20-year archive. Includes beautiful drawings of his prints for you to color in yourself.

**About the Author** A graduate from the prestigious Central Saint Martins college of art, Matthew Williamson showed his critically acclaimed debut collection "Electric Angels" in 1997. Celebrating 20 years in fashion next year, his brand has long appealed to celebrities and industry insiders alike.
