Greyson Beights : Medieval LEGO before purchasing it in order to gage whether or not it would be worth my time, and all praised Medieval LEGO:

3 of 3 people found the following review helpful. A hit with the kidsBy Boys' MomMy kids like Legos and they like this book (ages 8-11). We are studying the medieval period and the book is a nice change of pace that coincides with our studies. We read the Canterbury Tales and one of my kids was happy to report that he did some reading on Geoffrey Chaucer in this Lego book. It's fun to see the kids make those connections, even if it is a Lego book. Kids who are younger than 8 yrs. and/or not studying the time period may not be as thrilled as we have been.0 of 0 people found the following review helpful. wonderful Lego AND history, great for any ageBy purplelizardI bought this for a present for a young boy and my 9 year old wants one as well, so I will be getting another. I absolutely love the fact that it is History based and will use it for our lessons. Beautifully appealing Lego assembly layouts depicting historical events. I have been known to buy two copies of books such as these to tear one apart and place in frames on the wall..may do it to this book as well (I always keep a pristine copy also!) LOVE IT!!!0 of 0 people found the following review helpful. Kids absolutely love it!By Nikki VTells english history in a wsy kids understand it and with lego pictures. Kids absolutely love it!!

Medieval LEGO takes you through real English history in the middle ages with a unique twist, with every event illustrated by a tiny little LEGO scene. With contributions by medievalists and scholars, this book brings medieval

history to life in a fun, kid-friendly way. Inside, you'll learn about events like the Battle of Hastings, the chartering of Oxford University, and the signing of the Magna Carta. You'll witness the infamous Black Death, and the Great Famine, and you'll read about famous historical figures like Robin Hood, Richard the Lionheart, Geoffrey Chaucer, and William the Conqueror. Grab your broadsword and turn the page to join the adventure.

About the Author Greyson Beights is a student with a passion for LEGO and history. His research interests focus on the history of war and the history of late medieval England. He is an experienced LEGO builder whose models have won awards on fan sites and at LEGO fairs. He also coordinates BrickUniverse 2015, a LEGO convention for fans of all ages.
