**Michele; Durant, Judith Gerbrandt : Memory Makers Great Scrapbooks: Ideas, Tips Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised Memory Makers Great Scrapbooks: Ideas, Tips Techniques:

"Much more than the sum of its parts, a great scrapbook page is a work of art. Learn the art of the craft from the best scrapbookers around the country. Lift-the-flaps, popups, mosaics, pierced paper, punched paper, pieced paper, kaleidoscopes, die-cuts, templates--you'll find them all here with ideas on how and when to use them."
