The recipes were good but.....By SkyeI liked Caseys recipes but..it was almost tiring just reading her instructions,like...start with this pan,then put the mixture in that pan...then stir both pans at the same time.I make and mix my soap in one pan,it's really not that difficult.I agree with another reviewer who said it does'nt have to be a team effort.The best soapmaking book I have ever bought is "The Everything

Soapmaking Book" by Alicia Grosso. This book has all the information you will ever need to make really beautiful handmade soap. 0 of 0 people found the following review helpful.
