Vern French : Model Railroading's Guide to the Norfolk Western Railway: Williamson Terminal - 1953 before purchasing it in order to gage whether or not it would be worth my time, and all praised Model Railroading's Guide to the Norfolk Western Railway: Williamson Terminal - 1953:

1 of 1 people found the following review helpful. NW Railway: Williamson TerminalBy James A. NicholsVern French has done a helpful and careful presentation of the NW's Williamson Terminal, as well as general information about the railroad itself. Modelers will find this to be an excellent resource. Because he concentrates on the late steam period, his book is timeless - never outdated by subsequent developments.

This railroad book chronicles the history and development of the Williamson terminal with photos, diagrams, and text.
