5 of 5 people found the following review helpful. WILLIAM MORRIS re-discoveredBy June N. KerssI grew up in UK where William Morris textiles and wallpaper were to be found in almost every Victorian style home. Even as a child my eyes were constantly moving over his designs to discover more and more that hadn't been seen before! His love of nature and depiction of what he saw around him is extraordinary and now has captured the modern world, especially in quilting.My collection of William Morris style fabric has grown by leaps and bounds because of the renewal and discovery of this wonderful art form. The patterns in the book will lead to more exploration.0 of 0 people

In this spectacular sequel to her bestselling first book, *William Morris in Applique*, Michele Hill shares 10 new projects for quilts and home accessories, plus 55 individual applique designs in authentic William Morris style. She has beautifully captured the essence of Morris love for his home by dedicating each project to a room from his era. The photography is luxurious throughout the book; you will enjoy seeing his inspirational art and learning more about his different homes. All the how-to basics are included-try fusible or hand applique methods. Update any room with rich, gorgeous colors and stitching.

More William Morris Applique: Spectacular Quilts and Accessories for the Home is a beautiful sequel to Michele Hill's first book, *William Morris in Applique*. In this collection of 10 quilts and 55 appliques, Hill pays homage to Morriss sense of pattern and design in home decor. She captures the spirit and style of the Arts and Crafts movement with her colorful floral applique patterns.Hill provides all the instructions and information you need to create each of her 10 exquisite patterns in *More William Morris Applique*. Each project includes detailed, step-by-step instructions, a comprehensive materials list, and plenty of full-color photos. Templates for all 55 appliques are included at the back of the book in full-size patterns that you can tear out. The back of the book also includes tutorials on basic quilting, applique, and embroidery techniques, so even beginners can tackle these projects! (Fave Crafts, 10/01/12)Enhance the beauty of your home by making any of the 10 spectacular quilt or home-dec projects featured in this lavishly illustrated book. Fifty-five full-size applique designs printed on pullout sheets are provided, along with how-to basics for both fused and turned-edge applique. But in addition to the patterns, you'll enjoy gorgeous photos and fascinating bits of history about Morris and the Arts Crafts movement.
