Helen Baird : Mosaics: Craft Workshop Series before purchasing it in order to gage whether or not it would be worth my time, and all praised Mosaics: Craft Workshop Series:

Mosaic-making in one of the most enduring and popular art forms, and for good reason. This book gives you all the information you need to produce exquisite mosaics of your own, from the traditional to the contemporary. Projects to create include a richly patterned firescreen, an Abstract Table Top and an Aztec-style Trinket Box, and there is practical advice on the materials and tools required.

About the AuthorBaird graduated with a degree in Fine Art from the University of Newcastle, then worked for several years in a freelance capacity as an artist, illustrator and animator.Imrie is a leading still-life photographer.
