**Linda Pumphrey : Mountain Mist Historical Quilts: 14 Mid-Century Quilts Made New** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mountain Mist Historical Quilts: 14 Mid-Century Quilts Made New:

1 of 1 people found the following review helpful. and rather fun!By FirstI rarely say " a must have" but for anyone interested in the history of Mountain Mist and its many patterns, this really is " a must have". One needs to understand this is a specific book concerning a particular collection, and not an overall review of Mountain Mist history. As such, I found it interesting, and rather fun!2 of 2 people found the following review helpful. Very disappointedBy ardenI am disappointed in her choice of the Mountain Mist quilts patterns The Oxmoor volume from several years ago offered many more of the popular patterns. I plan to sell this book because there is not one quilt I would make in it!1 of 1 people found the following review helpful. Good centent ; grey ink and font choices make it difficult to readBy Gloria

CrittendenDisappointed in Fons and Porter's choice of grey ink and small font size in this book. Mountain Mist quilt patterns are an important part of quilt history . Senior eyes are not considered. Pictures and patterns are excellent; this was a poor publishing decision.

Make classic quilts with contemporary style! This beautifully curated collection showcases 14 designs from the celebrated Mountain Mist Series. The unique marketing campaign, which offered a free quilt pattern with every Mountain Mist batting purchase, inspired generations of quilters throughout the 20th Century. In Mountain Mist Historical Quilts, author Linda Pumphrey recreates her favorite patterns--from art deco-inspired designs to intricate appliques and traditional blocks--with current fabrics and techniques. The result: timeless designs that are as stunning today as when they were first introduced in the 1930s and '40s. Look inside to find: Step-by-step directions with detailed illustrations Templates for the botanically-inspired Tulip Bowl and Iris Bed quilts as well as the colorful Cherry Ripe and scenic Wild Duck Expert advice on quilting techniques, selecting fabric, choosing batting, and more! Whether you're new to the series or just looking for inspiration, Mountain Mist Historical Quilts will help create you timeless quilts you'll enjoy for years to come!

"This book features 14 patterns handpicked and updated from their original appearance, and it includes a bit of history about each quilt. Basic quilt-making information is also included." --American Quilt Retailer
