**Anthea Paul : My Girlosophy: A Journal for Life (Girlosophy series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Girlosophy: A Journal for Life (Girlosophy series):

5 of 5 people found the following review helpful. MisrepresentationBy L. OsburnI purchased this journal pack as a gift for my niece, but when I received it I was disappointed to find that had just sent the book 'My Girlosophy - How To Write Your Own Life' and not the box set as advertised on the web site, which shows the book and also a blank journal.I contacted , who apologised profusely and offered a replacement at no extra charge, but when I received the replacement it was exactly the same - just the book and no journal. So I ended up sending both back for a refund.The ironic part is, at the bottom of the web page, it shows 'recommendations' and an offer to buy this journal boxed set, and the book together for a discounted price. Which is ridiculous when you consider that the book is part of the boxed set. Why would you have two copies of the book????The web site shows an ISBN number for the book and a separate ISBN number for the blank journal, yet when you order it just orders the ISBN for the book. They don't have a separate ISBN for the boxed set to differentiate between the two items.So I ended up giving up, and I'm just waiting for my local Borders store to have it in stock so that I can go and physically see the entire box set and buy it that way.

This beautiful package contains both the book, My Girlosophy: How to Write Your Own Life, and a matching blank journal that is the first step for young women aspiring to create their own scrapbook or memory book. This journal provides an inspiring space to creatively document dreams, secrets, and memories.

About the AuthorAnthea Paul is the author of the bestselling and award-winning Girlosophy series and the coauthor of 21st Century Goddess. She has contributed to major magazines such as Gear, Harper's Bazaar, Marie Claire,

Seventeen, Surf Girl, and Town Country. She has also worked as a stylist, trend forecaster, market consultant, and creative director.
