Myra Harder : Nap and Nod: 12 Adorable Baby Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Nap and Nod: 12 Adorable Baby Quilts:

0 of 0 people found the following review helpful. A very nice, and useful book.By knitbunnieI'm giving this 5 stars for the book contents. It's an adorable book that I would definitely use had I kept it. Unfortunately, it was really beat up in shipping, and I returned it. I do plan to buy it again because the quilts look to be easy to make but pack a lot of punch into simple sewing.0 of 0 people found the following review helpful. Five StarsBy HeimercatGreat book with lots of fun quilts! I've started a couple, but I can't wait to try them all!0 of 0 people found the following review helpful. Four StarsBy GervaismNice book. Simple quilt projects. Nice

Discover 12 fast-and-fun baby quilts. Learn techniques such as plush appliqu, curved seams, and monogrammed lettering. Showcase fabrics from traditional to modern in irresistible designs.

About the Author Myra Harder has been working in the quilting and textile industry for the past two decades, and has found herself on the same path as her forefathers: her family ties can be traced back nine generations to the mid 1600s, to fabric merchants in Prussia. Myra loves designing quilts, and in addition to writing books of quilt patterns, her designs have been featured in countless magazines--and on yards of fabric. In the future she hopes to continue to create and produce new ideas to inspire the next generation. She lives in Winkler, Manitoba, Canada, with her husband, Mark, and their two children, Samson and Robyn.
