You'll adore this book!!!!By ColoristaI bought another "Christmas" coloring book by a very well known and popular coloring book artist. I was so disappointed in the lack of Christmas in that book, that I decided to come back to the basics of what Christmas truly is! I am so glad that I chose this book!!!!!! There are 2 copies each, of 24 Nativity scenes. Some are whimsical, while others are just the most gorgeous star lit scenes. If you love the Nativity, regard of the time of year, you will adore this book!0 of 0 people found the following review helpful. Awesomeness!By Michelle WernerThis is a wonderful book! I love the pictures! I especially like how after a picture is colored it's has an awesome 3D effect.

NATIVITY Grayscale Photo Coloring Book is a must have for every family this Holiday Season. Bring your images to life as you color over the gray in this beautiful coloring book featuring Nativity Scenes. A perfect coloring book for Nativity Scene collectors. This collection of photographs includes 24 one sided pages with 2 copies of each page so you can color twice or share with a friend.

About the Author Anne Manera is an illustrator, designer and author of coloring books and children's books. Her coloring books are inspired by her paintings.
