She was allowed in museums after hours to study pieces done by artists to inspire her to create her own patterns. She was a very complex person and I feel privileged to have known her.0 of 0 people found the following review helpful. Stitch MadnessBy May T.Great variety of rugs. As a needlepointer for over 50 years, I look for more intricate designs. This book covers beginners and beyond.0 of 1 people found the following review helpful. Three StarsBy vecaSome of the patterns have been repeated in other books
