Customer Wonderful needlework projects for doll house designers. 2 of 2 people found the following review helpful.
disappointing - where are the pictures? By Ann S. The kindle edition refers to pictures on the inside front cover and both sides of the back cover but does not provide these pictures. The only pictorial reference is the front cover.
Disappointing, as it is not always easy to visualize the finished product from the written description.

Think small beautiful things come in miniature sizes. With this collection of over five dozen charted designs, miniature enthusiasts and needleworkers can delight in creating a panoply of Lilliputian-sized heirlooms at a fraction of store prices. Here is a treasury of decorative projects to enhance and enliven any miniature setting. Accomplished craftswoman Eileen Folk offers 64 designs that will turn ordinary dollhouse rooms into exquisite showplaces with a minimum of effort and a maximum of style. These elegant projects work up quickly some in as little as one hour from start to finish. All can be worked in either needlepoint or counted cross-stitch and are fully complemented by easy-to-follow directions and clear, well-rendered charts. Use suggested colors or select your own color scheme in creating a variety of attractive furnishings: rugs, pillows, upholstery, chair cushions, quilts, decorative accent pieces, place mats, window treatments, bedspreads, and even an entire nursery. The book offers both beginners and experienced needlecrafters endless hours of pleasure and unlimited creative inspiration. This charming, imaginative craft book will help you create an enchanting dcor for any miniature vignette.
