NATALIE HAYS HAMMOND : NEW ADVENTURES IN NEEDLEPOINT DESIGN before purchasing it in order to gage whether or not it would be worth my time, and all praised NEW ADVENTURES IN NEEDLEPOINT DESIGN:

0 of 0 people found the following review helpful. Perfect and unusual.By Azaza truly original needlepoint book of designs. The photography is so sharp that the designs can be graphed on 'quadrille' paper. Her designs cannot be found anywhere else; each was carefully researched. Miss Hammond was highly skilled and had perfect taste. A lifetime resource.

For the delighof needlepointers everywhere, the author(and artist)shares close to 100 of her favorite designs from over 700 art forms that she has executed on canvas.
