**Yoko Saito : New Classic Patchwork: 78 Original Motifs 10 Projects** before purchasing it in order to gage whether or not it would be worth my time, and all praised New Classic Patchwork: 78 Original Motifs 10 Projects:

3 of 3 people found the following review helpful. Beautiful!By JW NeedleworkerWhat a great book! The materials that this book is made of are top quality I love the way an envelope is attached to the back cover to hold the pattern sheet. Never seen that done before! The instructions are easy to follow and the photos are excellent. I can't wait to make some Christmas presents for my sister and mother-in-law from the book, and for myself of course!8 of 8 people found the following review helpful. Beautiful designs and photos. Excellent directions.By S. W.Excellent directions and photos. Beautifully clever designs. Several of my quilting friends have purchased this book after seeing my copy.sw3 of 3 people found the following review helpful. This book is full of wonderful patterns for blocks and embroideryBy P. RobertsonThis book is full of wonderful patterns for blocks and embroidery. I love Yoko's work and now she has a line of fabric out in the beautiful taupes and grayed colors she works with, as well as matching threads.

Original patchwork blocks from a master quilter! *New Classic Patchwork* is the sequel to Yoko Saito's *Housewarming Patchwork* and completes her collection of 156 patchwork designs. A renowned quilt artist, Yoko offers quilters a new cornucopia of original block designs in her signature taupe quilting style. In this collection, Yoko brings her matchless interpretation of folk-inspired blocks: stars, crosses, triangles, pinwheels, circles, and other geometric shapes. Though the blocks are small in scale, each template is gridded and can be easily increased to any size. You can use these blocks in your own creations or make one of the ten beautiful projects included in the book. These include Yoko's signature bags, baskets, and pouches in her uniquely charming style, with all templates on an enclosed pattern sheet.

**About the Author** Yoko Saito's reputation for precise needlework and taupe quilting have garnered her international fame. The author of numerous books, she lives in a suburb of Tokyo and is expanding her operations to France, Italy, and Taiwan. In 2008, she commemorated thirty years of creative activities with the Yoko Saito Quilt Exhibition.
