These ideas are old and used up.11 of 12 people found the following review helpful. Start Early!By MimiThe crafts in this book are not all quick projects that you can start in November or December. This book has great ideas, and we found several to make for holiday bazaars, but they did require time. We start in January on our Christmas crafting, and we were thrilled with some of the innovative ideas here.

Incorporating classic crafting techniques, a collection of seventy holiday gifts and decorations of the past is recreated with current methods and convenient materials and features beloved themes including Santas, angels, religion, fruits, flowers, and greens. Original. 25,000 first printing.
