Ruth Finley : Old Patchwork Quilts: And the Women Who Made Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Patchwork Quilts: And the Women Who Made Them:

0 of 0 people found the following review helpful. Five StarsBy jackiThis is an old book but I love old ones . Nice people in it .0 of 0 people found the following review helpful. Old Patchwork QuiltsBy Margaret S. Van DanThis book is truly a classic in quilting. It was written in 1929 and has been referenced in many new quilting books and blogs.It is very easy to read and very informative on classic quilting methods and techniques.I was slightly

disappointed that 4 of the photo pages were missing, but that would be easy to miss when checking a book. The book was in good condition otherwise. Since it is 82 years old and has been used (loved), some pages were loose and the binding is wiggly. 0 of 0 people found the following review helpful. Five Stars By Maggie the Aggie Excellent reference book

First published in 1929, this record of the most picturesque of all American folk arts is an enduring contribution to the study of women's history. The 200 photographs and diagrams of the original book are supplemented in this third edition by eight pages of color plates and an introduction by Barbara Brackman.
