I especially like the ability to mix and match the appliqu designs in the quilts, and how I can decide just how complicated or simple I want my quilts to be. Having color alternatives for most of the designs gives me even more ideas!1 of 1 people found the following review helpful. Beautiful quiltsBy Marianne KotchAll patterns need to be taken to a copy shop for enlarging 200-400%. Disappointing but do-able.0 of 0 people found the following review helpful. On My Way to BaltimoreBy MarvaVery nice book on how to use those unused blocks as center bolcks. How many quilters have unused blocks hidden from view???
