**Leisure Arts : Once Upon a Christmastime** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Once Upon a Christmastime:

0 of 0 people found the following review helpful. Beautiful collection of traditional Christmas images! By Elizabeth An absolutely beautiful collection of traditional Christmas images. As the cover indicates - with Victorian and old traditional book covers, the Christmas images included are from Christmas stories capturing the spirit of the holidays. These cross stitch designs are varied, both large and small. All are beautiful! The content of the book exceeded my expectations in terms of quality of design and variety. The book was in excellent condition and arrived promptly. I am so very pleased to have found this treasure! 5 of 5 people found the following review helpful. This is a Keeper By Customer Unlike BHG, Leisure Arts seems to fade in and fade out when doing their annual Christmas edition. This 1996 book is one of the rare Very Good Ones! Usually I find that they like to focus on large themed pictures in a variety of antique-y, muted colors but this edition features pieces with more flavor. The "Old-timey" theme is essentially unchanged but the editor must have been because the color is enhanced and the characters seem to jump off the page. In addition the range of motifs has been expanded to include traditional Scandinavian Red Work, Noah's Ark, Stockings, Pillows, a large variety of Ornaments and a gorgeous Christmas Tree that takes up four full squares of a lovely blanket. There's teddy's, and toys, sledding and snowmen, gingerbread fellows, and a Nativity glowing. In essence, this book is like Christmas itself for us to stitch and enjoy all year long. 1 of 1 people found the following review helpful. I love these books! By carefulshopper This was a wonderful addition to my collection of Christmas

cross-stich books. The pictures in this series are always fabulous and it is fun just to read the books, even if you never get the projects started. Nice book and arrived promptly!

Cross Stitch designs, patterns and instructions. Nostalgic images of Victorian Christmases colorful narratives.
