Are you crazy about crochet? Of course you are! This book contains a series of crochet designs that kids and moms will adore. One and Two Company's playful collection of patterns includes cute hats, little baby booties, the sweetest doll, huggable loviess, animal cushions and backpacks, a baby rattle, a beautiful nursery mobile and plenty more. This

book is packed with clever, playful projects to crochet for boys and girls. Ideal for baby showers! This crochet collection is well suited for both beginners and experienced crafters. You'll easily create these gorgeous items by following the step-by-step instructions packed with how-to photographs and illustrations. Crocheters who favor reading charts will be delighted to find these available in the book as well. Each pattern is clearly marked with a materials list, glossary of stitches used, and beautiful pictures showing the items from all sides.

"This will be perfect for the many girls in my life!!!! I love and admire all of your work! I especially love that the pattern is so wonderfully written and illustrated!
