5 of 5 people found the following review helpful. Content is good. By bostonmike42 I was under the impression this was a whole "set" of books. This is one book. Content is good. 1 of 1 people found the following review helpful. Not a "set" but good formulas. By matulp It isn't a "set", its one book divided into sections. I like the formulas though. Need more time to work my way through them. 2 of 2 people found the following review helpful. Excellent book. By Xilene I really enjoy this book, It has a great collection of recipes to make your own moisturizer to avoid those products full of chemicals that only damage our skin. For those of us that are continually searching for organic alternative to take care of ourself this book is a great inversion.
