You Smell Irresistible All Day Long! (Aromatherapy, Essential Oils, Homemade Perfume):

3 of 3 people found the following review helpful. I really loved the thought of making perfume all by yourself with ...By Chigin CamLovely and a very well written book i must say. I really loved the thought of making perfume all by yourself with easy steps given in this book. I love perfumes and love to try making them at home2 of 2 people found the following review helpful. Smell Good for the whole dayBy Vona LouisIt is a good idea to make perfumes at home rather than buying those expensive perfumes available in the market. There are very easy and step by step recipes of perfumes. I tried two of them and they turned out to be amazing.1 of 1 people found the following review helpful. Five StarsBy CustomerA
