Start folding paper airplanes right away with this easy origami kit. Origami Airplanes Fun Pack presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. Origami Airplanes Fun Pack features a selection of the easiest-to-fold and best-flying paper airplanes. All the origami projects are designed to be simple enough to be considered "origami-for-kids" kits, and can be assembled by beginning origami folders. Paper

airplanes are a great way for children to learn origami and gain an interest and appreciation for this fascinating art form. The flashy folding papers already have plane images printed on them, making the finished origami planes look as awesome as they fly. Folding lines are printed right on the paper so there is no need to make precise measurements. Just unpack, and start folding immediately. This origami kit contains: Full-colored origami assembly book Step-by-step instructions and diagrams 6 original design projects for planes 48 sheets of high-quality origami folding papers A variety of colors with printed fold lines Double-sided color Fun and accessible for both the paper crafts novice and the more seasoned paper folder, this wonderfully giftable origami kit gets you started right away and is a great value. The pre-colored origami paper is ready to fold No scissors or glue required! Origami airplane projects include: Alpha Jet Spectre Phoenix Diamond Dart Soarer Star Clipper
