advanced folders
By Nicole Tan
Great book for intermediate to advanced folders. The models are beautiful and clearly illustrated. It took a few tries to get some of them but we have been able to follow most of the patterns thus far and it's been a lot of fun to create these pieces!

About the Author
Michael G. LaFosse has been an origami artist for decades and is internationally regarded as a leading authority and master of the art. An avid teacher, LaFosse cofounded the Origamido Studio, a learning center and design studio dedicated to the art of origami and the only place in the world specializing in hand papermaking for the origami artist. The author of many books, kits, and videos relating to paperfolding and hand papermaking, LaFosse produces fine paper art and commercial designs for a variety of international clients. Michael's work has been shown in museums and galleries around the world. Richard L. Alexander co-founded Origamido Studio. Alexander has designed dozens of origami models and has taught hundreds of origami classes. A pioneer in video origami instruction, he has produced LaFosse's extensive series of origami lessons on video since 1992. He has produced much of the handmade Origamido paper featured in the works of dozens of origami masters and has designed several origami commercial and fine art exhibitions.
