A little harder than I anticipate, maybe I will save this a little while for when my kids are older. 0 of 0 people found the following review helpful. My kids love it! By Philip and Amber I have a son that loves origami, and another son that loves dinosaurs. They were so excited when they got this kit, they played with it together for a long time and still continue to pull it out and make more dinosaurs!! 0 of 0 people found the following review helpful. A bit complicated By Andy R Our seven year old grandson is very creative, good with Lego and building, but he needs help with this.

Make colorful and fun origami dinosaurs with this easy origami kit. Origami Dinosaurs Kit is a unique collection of origami paper craft designs that help create folded paper models of awesome prehistoric creatures. Brachiosaurus, Dimetrodon and a whole handful of impossible-to-pronounce dinos are brought to life with a few easy paper folds. World renowned origami artist and author Michael LaFosse designed these visually striking models for paper folders of all levels of skill including origami beginners. Use it to craft eye-catching origami for your friends, to beautify your home or as a wonderful gift for dinosaur lovers. All of the folds are simple enough to be origami-for-kids projects and are a great way to learn origami. The origami paper in the kit already has printed patterns so no paint or glue is required, just unpack and start folding right away! The origami kit contains: 2 full-colored, 32-page booklets Clear step-by-step instructions Easy-to-follow diagrams 20 simple origami dino projects 98 sheets of durable authentic origami folding paper A variety of different colors and patterns 2 bonus sheets of metallic folding papers Craft these eye-catching origami for yourself, or share it as a gift for kids fascinated by dinosaurs. Origami projects include: Tyrannosaurus Rex Stegosaurus Velociraptor Simplexaurus Eryops And many more

"While the instructions are easy to follow, there is a slight learning curve that evens out after creating more and different origami objects. And in case you mess up, there's plenty of paper over ninety charming sheets in every kit, tying into each theme." Asian Fortune News

About the Author Michael G. LaFosse has been an origami artist for decades, and is considered a leading authority and master of the art. An avid teacher, LaFosse co-founded the Origamido Studio, a learning center and design studio dedicated to the art of origami, and the only place in the world specializing in hand papermaking for the origami artist. LaFosse co-curated Origami Now!, a wildly popular, year-long exhibition at the Peabody Essex Museum in Salem, Massachusetts. He was also prominently featured in the recent, Peabody Award-winning film, *Between the Folds*, by Vanessa Gould.
