**Muneji Fuchimoto : Origami Finger Puppets: Fun Origami for Pinkies, Pointers, and Thumbs - 64-Page Instruction Book, 25 Sheets of Origami Paper to Fold 24 Puppets** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Origami Finger Puppets: Fun Origami for Pinkies, Pointers, and Thumbs - 64-Page Instruction Book, 25 Sheets of Origami Paper to Fold 24 Puppets:

0 of 0 people found the following review helpful. What I love about this book is its accessibility to younger children. By Cassy Muronaka. What I love about this book is its accessibility to younger children. Origami can be very complicated. This softcover book focuses on one thing only: finger puppets. Make one and you will be on your way to making the next one. Each of the eight project sections has a theme familiar to kids: Little Red Riding Hood, The Three Little Pigs, The Little Mermaid, The Wolf and Seven Young Kids, Town Mouse and Country Mouse, The Frog Prince, Happy Halloween, and Merry Christmas. Within each of these areas are several puppets to make for pinkie, pointer, or thumb. For example, in the section on Little Red Riding Hood, you'll make Little Red Riding Hood, Grandmother, the Big Bad Wolf, and a tulip, each a with one or more colors. The book includes all the colored origami paper needed for every project in the book. There's also information on Basic Folds and Symbols, as well as how to

make a Basic Starting Shape. The latter is clear and easy to understand. I think this is an adorable little book for a girl or boy. I received this book for review. 0 of 0 people found the following review helpful. fun origami for pinkies By LJS Muneji Fuchimoto's new book, *Origami Finger Puppets: fun origami for pinkies, pointers, and thumbs*, is a beautiful book. There are 25 designs with 25 sheets of origami paper to begin folding into characters from a movie, Broadway shows and Halloween. First few pages provide instructions with photos to learn the basic starting shapes, folds and symbols. Many designs are flexible to create other puppets, for example, Little Red Riding Hood's first few steps can get you started into making a Santa Claus. Each step is numbered in sequence, with colorful close up photos. A variety of designs to create are a tulip, pig, little mermaid, a castle, and a bat. The book is cased in a sleeve with a section to hold the paper with an elastic band holds it all closed. 0 of 1 people found the following review helpful. I am in love with this Origami Finger Puppet kit By MaryAnn I am in love with this Origami Finger Puppet kit. Comes complete with everything you need to put on your own puppet show. Easy to follow instructions and bright detailed pictures. You are able to let your imagination show when creating the puppets. I highly recommend this kit. I was given this book from Quarto Knows for an honest review.

Put on your very own origami finger puppet show! You can create your own origami theater by making a full range of finger puppet characters! *Origami Finger Puppets* includes 25 adorable and entertaining step-by-step designs and 25 sheets of origami paper to practice with! Recreate the characters from your favorite movie or Broadway show, or let your imagination guide the characters you create - the possibilities are endless!

Full marks to this genius origami title, guaranteed to bring a smile to all concerned - Susan Janes, The Papercraft Post
