6 of 6 people found the following review helpful. Very SimpleBy A RomeroThe book has primary simple projects and the ideas are not really new. It would be good for children or someone interested in learning the basics. However, the papers included are great!0 of 0 people found the following review helpful. Three StarsBy Denni GraceIt was ok, but not as many projects as I thought.0 of 10 people found the following review helpful. Upset with product.By Tara HilliardThe transaction went very well and the sender got the package here quite quickly. However, the product wasn't what I thought it'd be like.
