Diagrams are fairly easy for someone with some origami experience to fold. The book is beautifully designed. Nice photos. 1 of 2 people found the following review helpful. This may be great for people who have a lot of experience folding. By Susan Morgan Keene I got this book for my daughter so that she could decorate one of her doll houses, but we found the folding to be very complicated. This may be great for people who have a lot of experience folding, but was too difficult for my 8 year old. The book itself is very pretty and IF you are an experienced folder, is likely a good one for you! 1 of 1 people found the following review helpful. Not enough instructions. By Lisa My 10 year old picked this out. She tried to make the refrigerator, but couldn't follow it. I tried to make the refrigerator, and couldn't follow it! I had a hard time eyeballing the dimensions for the fold lines and not all of the instructions were clear to me. I'm by no means an expert

origami folder, but I'm very visual and still had a hard time with the instructions. I did get the chair to work (by looking at the final image and determining where the folds should go since they weren't clearly marked), but gave up after that. Cool ideas, though.
