Make 25 paper race cars and jet planes fun for the whole family! Origami Racers is a fun and instructive kit for adults and children which teaches the fine art of origami through folding paper race cars and jet planes. Reminiscent of the original Japanese transformers, each piece of paper included can be folded into a sleek and fast racer pod for either the street or the sky. Each kit contains a 64-page booklet with folding instructions and full-color photos of finished racers. Make 25 racers out of the 25 sheets of two-sided, two-color paper to impress your friends!
