**Mike Danneman : Painting Backdrops for Your Model Railroad (Model Railroader's How-To Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Painting Backdrops for Your Model Railroad (Model Railroader's How-To Guides):

7 of 7 people found the following review helpful. Painting Backdrops For Your Model RailroadBy G. W. ZumstegMike Dannemann has done a great job of showing us modelers how to give the background a realistic touch.

His sharing his talent at creating the sky and clouds and working your way down to the far off hills and valleys puts the finishing touch on your train layout. Painting in many close details that you might have considered building models of saves time and money, while developing a additional talent. G.W.Z.0 of 0 people found the following review helpful. One StarBy EdThis guy must be an artist, I expected to be show how to do it, it's not there.0 of 0 people found the following review helpful. BookBy love trainsStill using ty

This book shows you how easy it can be to add backdrops to your layouts by explaining why you need one, how to build and paint one, how to add clouds, how to blend with layout scenery, and more. Other techniques such as using photos and commercial backdrops are also included.

About the AuthorProfessional illustrator and artist Mike Danneman is a frequent contributor to Model Railroader magazine and is a former Art Director of Trains magazine. He has written three other books and is a co-photographer with his brother Tom of the annual Trains at Work calendar, also published by Kalmbach Books. Mike lives in Arvada, Colorado, and is well known for his N scale Denver Rio Grande layouts.
