I believe anyone would find this a book to help them along with their acrylic painting techniques. She gives wonderful insight on how to begin to develop your creativity plus many of the techniques she uses in her painting style. Comes with patterns for all projects. You can with a little imagination come up with a few ideas of your own just by studying the projects yourself. Simple things like taking a small part of a major project and painting cards or small pictures. Consider this book a treasure

cove of fun and information, You will not be disappointed. Have fun painting and creating, Scarlet0 of 0 people found the following review helpful.
