**Papermade : Paper Fashion (Paper Made)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paper Fashion (Paper Made):

0 of 0 people found the following review helpful. Cool idea, impossible to fold and createBy luvmodernI love the idea of paper fashions - very unique! However, the dolls are nearly impossible to fold and create. They rip, contort and unless you have tweasers and a microscope, they'll end up looking bad. It's going right in the trash, such a bummer. Don't buy it.0 of 0 people found the following review helpful. Five StarsBy CustomerIt's fun and very creative! Help to concentrate making them and it turned out great!!
