Martingale : Paper It!: 50 Home-Decor and Gift Ideas Using Scrapbook Papers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paper It!: 50 Home-Decor and Gift Ideas Using Scrapbook Papers:

0 of 0 people found the following review helpful. paper it craftingBy Liz SerichI chose this rating because I thought this book was going to be different, hoping to go more in depth of the projects.it's a fairly short book, nothing I haven't seen how to do before. I guess it's good to keep on hand in case I forget how to cover something. It was an okay book.0 of 0 people found the following review helpful. Five StarsBy RHONDA L. MITCHELLnice book great ideas2 of 2 people found the following review helpful. Rehash of yesteryears projectsBy BarbaraLynThis is a book for those who are not creative in their own right. None of the projects in this book were new or inventive to me. While they are very nice and all great ideas, they are not something I haven't already through of doing.Covering a recycled can that vegetables or fruit came in to make a pencil cup is a great idea but not anything that hasn't been done for years. The

same goes for picture frames, recipe boxes, shoe boxes or album covers to mention a few of the 50 projects the book has in it. The instructions are not extremely detailed and leave some things up to your own discretion. The materials needed for the project are listed. If you need these types of nudges to create, then it would be a good book to purchase. Otherwise, use your own imagination and go wild with all the great papers and embellishments that are on the market today.

Grab all those pretty scrapbook supplies you've collected and use them to decorate new surfaces! Learn how to embellish storage boxes, purses, chipboard containers, journals, albums, desk accessories, picture frames, lamp shades, bulletin boards, napkin rings, waste baskets, and votive holders with your treasured finds. 50 wonderful craft ideas for gifts, keepsakes, and home decor. Includes complete instructions and patterns. Ideal for beginner to intermediate skill levels.
