**Pat Sloan, Leisure Arts : Pat Sloan's I Can't Believe I'm Quilting (Leisure Arts #3649) (Pat's School House)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pat Sloan's I Can't Believe I'm Quilting (Leisure Arts #3649) (Pat's School House):

2 of 2 people found the following review helpful. Great beginner book By Michelle Mercado This book is a great addition to my library. I took a quilting class and believe I caught the bug. The book explains different terminology and techniques. There are a few patterns in the back of the book that you can photocopy and cut out. If you are looking to try something new, this is the book for you. 3 of 3 people found the following review helpful. This book has helped me tremendously. Have always enjoyed Pat Sloan's instructions. By Nancy K. Klomp The instructions are very clear and concise. This book has helped me with questions and how to solutions I have been looking for. 1 of 1 people found the

following review helpful. All was satisfactory. By goody 2 shoes I got this book because a friend had lent me a copy and I needed one of my own. The book was completely satisfactory as to condition and price. It took me easily through the whole process of making my first quilt. I will use it next time also.

In this introduction to quilting, Pat Sloan provides a complete overview of traditional and quick-method quilting for the beginner. Using a friendly, conversational style, she explains quilting terms, tools and supplies, selecting and preparing fabrics, cutting, piecing and pressing, quilting by hand and machine, binding, and finishing touches. In addition, there are six skill-building lessons that include instructions for these projects: Nine-Patch Block, Nine-Patch Table Runner, Rail Fence Quilt, Nine-Patch Wall Hanging, Friendship Star Table Runner, and Variable Star Quilt.
