31 of 32 people found the following review helpful. Great book on all things walking-foot and free-motion quilting By Stefanie G. This is a really comprehensive how to machine quilt with a walking-foot and free-motion quilting book. It covers everything from the materials and tools to the different threads, stitches and patterns. Another great feature to this book are videos on the publisher's website so you get both the printed tutorials along with videos. 0 of 0 people found the following review helpful. Recommend! By PMR Roanoke Lots of helpful information! 0 of 0 people found
