Kathleen Loomis : Pattern-Free Quilts: Riffs on the Rail Fence Block before purchasing it in order to gage whether or not it would be worth my time, and all praised Pattern-Free Quilts: Riffs on the Rail Fence Block:

0 of 0 people found the following review helpful. Inspiring for crafters with a more modern aestheticBy ElmIf you're into sewing but put off quilt-making by fussy, granny-style quilts, this is a great manual of sorts to show you how to adapt a relatively simple block to achieve different quilt styles. Especially great for me as a garment sewer with lots of scraps I want to use up and approximately zero appetite for precise cutting and piecing in my non garment-sewing craft time.1 of 1 people found the following review helpful. Although I really like them, I thought they took a lot more ...By MaggiePattern-free art quilts were intimidating to me before I read this book. Although I really like them, I thought they took a lot more skill than my beginner quilting skills could master. With this book I know I can make one and likely will.0 of 0 people found the following review helpful. I enjoyed the pictures with color ideasBy Shelby BoydA simple to understand book. I enjoyed the pictures with color ideas! And ingenious way to work with one

simple concept and create lots of great quilts using Kathleen's vision. I hope she will do another book, I'd buy it!

Make one-of-a-kind quilts without a pattern! Break free from cookie-cutter designs! Quilt artist Kathleen Loomis walks you step by step through the process of creating a truly original quilt from scratch. With *Pattern-Free Quilts*, You'll learn how to: Choose colors and fabrics with confidence Sew first, plan second Hone your eye for design Improve without fear Start by sewing simple rail-fence blocks, then unleash your inner artist! With this versatile method, you can create: Quilts of any size Super simple beginner projects to intricately complex art quilts New quilts from the fabric in your stash The book's gallery includes 26 photos of finished quilts to inspire you. Kathleen Loomis, whose quilts appear in national exhibits, bring warmth to beds and welcome new babies, believes that designing is the most joyous part of quilt making. With *Pattern-Free Quilts*, Kathy inspires every quilter, from novice to expert, to dare to design.
