**Ruth B. McDowell : Pattern on Pattern: Spectacular Quilts from Traditional Blocks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pattern on Pattern: Spectacular Quilts from Traditional Blocks:

1 of 1 people found the following review helpful. This woman is brilliant. I am so sorry that I did not ...By Marla RichmondThis woman is brilliant. I am so sorry that I did not get to take a class with her before she retired. This is not a quilting book per se, more of an art book. It informs how to design a quilt. A must for hard core quilt designers.0 of 0 people found the following review helpful. Five StarsBy cesar perezNice product!0 of 0 people found the following review helpful. Patterns were a bit difficult for intermediate. Color info ...By MichellePatterns were a bit difficult for intermediate. Color info could have been more expansive. All in all, an OK book but not great

Here's how to create dazzling new designs from traditional patterns--simply by enlarging, reducing, rotating, or overlapping basic quilt blocks to create "special effects" of fabric, pattern, and color. This is a great choice for quilters who are looking to create unique effects with simple techniques.
