Carolyn Bell : Perfect Christmas: The Ultimate Guide To Cooking, Decorating And Gift Making For The Festive Season, With 330 Recipes And Projects In 1550 Photographs before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect Christmas: The Ultimate Guide To Cooking, Decorating And Gift Making For The Festive Season, With 330 Recipes And Projects In 1550 Photographs:

2 of 2 people found the following review helpful. If June Cleaver had been British, she would have written this bookBy Heather DianeI was looking for a book to give me ideas for creating a home-centered Christmas, and Perfect Christmas turned out to be exactly what I wanted. This book is an incredible presentation of longstanding British traditions of Christmas at home (many of which are shared by Americans). And even though I'll probably never use

the instructions for roasting a goose, I've seen A Christmas Carol enough times to get in the Christmas spirit just by looking at the recipe. The book is divided into three main sections: cooking/baking, decorating, and gifts/cards. There are additional sections with party games and easy projects for kids. Every craft or food described is accompanied by a beautiful color picture (in fact, looking at the pictures is one of the great pleasures of this book). There are projects of greater and lesser difficulty suggested. Most of them are somewhere in the middle--experienced crafter and bakers won't have any trouble; newbies might have to try a couple of times to get it just right. The great thing is that this book is HUGE (and a great value for the price!) so the choice is almost endless. If you're in the mood for an old fashioned (yet still contemporary) Christmas, this is the book for you. 0 of 0 people found the following review helpful. Helpful great photos: a useful book. By Old Movie Fan A nice guide to the "Perfect"(!) Christmas. Well laid out, with gorgeous photos. No time to do most of the tips but it was helpful a nice read.

The ultimate compendium of food, decorations and gifts for the holiday season, with a feast of recipes and projects. Enjoy cooking party foods, making your own cards and gift wrap, and adorning your home with festive decorations and hand-made table settings. With clear easy-to-follow instructions and step-by-step photographs, the whole family can be involved in making Christmas deliciously memorable.

About the Author Carolyn Bell is an experienced and creative editor of inspirational books. Here she has brought together a carefully selected collection of festive recipes, projects and decorations for the ultimate guide to Christmas.
