I have had fun doing different projects, and I am sure I will do more in the future.0 of 0 people found the following review helpful. Excellent BookBy DebraI loved this book. I was afraid it would be pages of the same type of layout but different pictures but thought I would give it a chance. However, I was thrilled to find that

there are many variations on this and can't wait to try them out.0 of 0 people found the following review helpful. Paper crafters and scrapbookers buy this bookBy E WhiteThis book gave me a lot of really good ideas for paper crafting and scrapbooking. My pages are really beautiful and just when I thought they couldn't get any better.

Scrapbook enthusiasts will learn from this book how to use ordinary photographs to create limitless patterns and designs in the form of photo kaleidoscopes. It incorporates die-cuts and templates to add variety.
