David Tosh : Picker's Pocket Guide - Comic Books: How to Pick Antiques Like a Pro (Picker's Pocket Guides)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Picker's Pocket Guide - Comic Books: How to Pick Antiques Like a Pro (Picker's Pocket Guides):

2 of 2 people found the following review helpful. A Lifetime of Comics Experience in a Compact Field Guide By Mark Finn Tremendous amount of information in a small, easily carried reference guide. If you know next-to-nothing about collectible comics, this book gets you up to speed quickly with easy to follow tips, explanations, and lots of great full color photographs. Even if you are a veteran collector, there's lots to recommend; examples of grading, short lists of what to look for in each decade, quick descriptions of what companies and characters were important to the decade, and more. If you like the thrill of the hunt, keep this book in your glove compartment for when you make those sudden discoveries and need a quick reference. Tosh's knowledge cannot be found on the Internet. Buy the book!
0 of 0 people found the following review helpful. Handy Little Guide By Jimmy Gutierrez Pickers Pocket Guide is essential for any comic book collector looking to find the right type of collectible that may appreciate in value later on down the road. It's not a mammoth price guide by any means, hence the word pocket, it's the light, handy book we keep around to make more informed choices so we can avoid buying lots of semi-worthless books. Did you know the first appearance of Wolverine, which happened to be in The Incredible Hulk, can pay for a semester of college and still have plenty left over for an iPhone 7? Let's not even ask about the first appearance of Superman or Batman. If I could go back in time I would have bought every copy in all of the United States and become the next President of the United States. Kidding. Maybe Prime Minister of England. I like fish and chips
1 of 1 people found the following review helpful. Three Stars By William L. Anfin Jr. OK for someone who has never bought comics in order to sell them. Book is for the novice only.

COMICS PACK PUNCH! Comic book values are soaring. Superman's debut, Action Comics #1, sold for \$3.2 million. The first appearance of Batman in Detective Comics #27 fetched \$1 million. Exceptional examples? Certainly, but you don't need X-ray vision to see everyone from collectors to savvy investors covets vintage comic books. Discover for yourself what insiders have long known with this hands-on, how-to guide to picking comic books. You'll uncover: The best comics to hunt, from the 1930s-1980s and beyond Where to find hidden treasures Practical strategies for buying and selling comic books How to flip comics for profit and fun Common reprints and facsimiles Restoration and repair Whether for pleasure or profit, the Picker's Pocket Guide is a real find.
