Armand Foster : Picture Framing: A Complete Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Picture Framing: A Complete Guide:

1 of 1 people found the following review helpful. Good beginner's guideBy Buck R. CashIt covered all the basics and I learned a lot from it. I learned even more by doing, but I'd have had a real mess on my hands without having read this before I started. With it, even my first frame looks good enough to be hanging on my wall with a matted photo of my granddaughter in it.0 of 0 people found the following review helpful. Guess I was hoping for moreBy George AgunI was a bit dissappointed, the book does not wander far from very standard designes, using techniques that though readily accessible do not reliably give the results one would hope for1 of 1 people found the following review helpful. Of interest to all picture framersBy Tim HThis is a very good book for anyone who wants to make picture frames of any type from the simple ones to the interesting ones.

This is a handy, succinct and comprehensive guide to picture framing. It is aimed at people wanting to learn picture-

framing from scratch, those looking to grow their hobby into a small business and artists wanting to frame their own work. The book is split into two general sections, with information for both amateurs and professional picture framers. Contains useful advice about techniques, materials, safety, and suppliers, as well as clear and easy-to-follow step-by-step guides for making various types of frame and framing different sorts of items.

"This book guides both amateur and experienced framers through the necessary steps to produce professional results, with an easy how-to approach." Wildscape "... this is an invaluable guide, that will help you avoid many pitfalls."
Leisure Painter "If you want to exhibit your work, you first need to get it to gallery standards. Armand Foster...leads you step-by-step through a variety of styles, with useful links to suppliers, too." Artists Illustrators
About the Author Armand Foster is a professionally trained picture framer, and for many years he ran a highly successful picture framing business. He and his wife have collaborated on a number of children's books and they now split their time between writing and producing DVDs.
