Judy Martin : Piece 'n' Play Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Piece 'n' Play Quilts:

3 of 3 people found the following review helpful. beautiful!By V. VesperWay beyond the different settings often used with traditional blocks. Judy Martin has adapted log cabin blocks and others to be easier to piece (no curves!). She shows one actual quilt and several color diagrams for each quilt pattern. This gives a great feel for the possibilities. Instructions are clear to me, even though I'm fairly new to quilting. Be forewarned, there are alot of pieces in these quilts! But they are very intricate looking as a result. She also gives suggested quilting patterns, which is a nice bonus that many books don't include.12 of 12 people found the following review helpful. Surprisingly unique quilts and settingsBy C. FRITZBought this book after seeing it an overpriced local shop to make one particular quilt (star quilt). I was pleasantly surprised to see the other quilts and how many varied looks could be achieved with their unique suggestions in different block settings. A great, must-have book. I refer to it over and over.Johanna in Wisconsin0 of 0

people found the following review helpful. Three StarsBy DotBeautiful but complicated designs. Not for me, but passed it on to my local library.

Make a beautiful, one-of-a-kind quilt from a pattern, and have more fun than you ever dreamed possible! That's the idea behind Piece 'n' Play Quilts by Judy Martin. It's as easy as 1-2-3! 1. Piece the blocks. 2. Play with the way you turn the blocks. 3. Join them in your favorite arrangement. It's both easy AND creative. It's all fun and no figuring. And because it's from Judy Martin, you know it's accurate. Piece 'n' Play Quilts features 12 complete quilt patterns, with your choice of rotary cutting or templates. Each pattern comes with a beautiful quilting motif, as well.

About the AuthorPiece 'n' Play Quilts is the 16th book from the fertile mind of Judy Martin, the woman who has designed more new quilt patterns than anyone in history. For more than 30 years Judy Martin has been designing the quilts America makes and dispensing her first-rate tips and sewing hints.
