All of the projects are cute and simple. Fair warning, if you need something really complicated and exquisite you need another book. But if you just want to spend few hours on the weekend with your family this book is a really good choice.

The Playtime Idea Book is packed with projects for creative parents. Follow a few simple steps to create handmade costumes, toys and props and you'll keep children entertained with make-believe pirate, forest-animal and circus worlds all day long. Only basic cutting, sticking and sewing skills are required.Focusing on these three popular themes (pirates, animals and the circus), projects include: eye patches and a telescope, stuffed animal friends, circus ringmaster's hat and a big-top canopy den. Each project includes a simple template and illustrated step-by-step instructions.Perfect for crafty adults looking for holiday activities that will keep little ones happy and busy.
