Marci Baker : Playing with Blocks, An ABC 3-D Quilt Pattern before purchasing it in order to gauge whether or not it would be worth my time, and all praised Playing with Blocks, An ABC 3-D Quilt Pattern:

0 of 0 people found the following review helpful. Comes up short By S. Nelson After going through this "book" I came to the conclusion that it was deliberately vague and that it was created for the sole purpose of promoting her book, and you will need the book to get through the project. One of her Youtube videos is helpful but it also is a tool for her to sell the book. The listing also says a "value tool" will be included. That might make this worth the purchase price of

\$12.98 but without it, this is only a 16 page pamphlet and hardly worth the price. Without the value tool, the better investment would be to simply buy the book at the outset.0 of 0 people found the following review helpful. Much easier than traditional tumbling block .By Doni ChambersEasy way to make tumbling block quilt without the complicated "y" seams. Larger pieces make it go together faster too.0 of 0 people found the following review helpful. Five StarsBy Barbaralove it

In this quilt pattern Marci revisits the classic three-dimensional tumbling blocks pattern and simplifies the process by eliminating y-seams and set-ins through strip piecing. This pattern is designed to make a fun, simple, and successful project! Value is the key to great tumbling blocks so Marci has included a value tool in the pattern to help you pick the perfect fabrics.

About the AuthorRecognized internationally for her expertise in quilting, Marci Baker enjoys sharing ideas that simplify the process of quilting. Enthusiasm and inspiration for quilting can be seen throughout her lectures, workshops, and books. She has been featured in Redbook, on Home and Garden TVs Simply Quilts, Quilters News Network, NBCs The Jane Pauley Show, and has been published in American Quilter Magazine and Traditional Quiltworks. Marci spends much of the year traveling and teaching classes for quilting guilds and trade shows.
